Rewind

2023-24

A mystical stroll down
the memory lane
to the days of academia.

OUR SCHOOL SONG

Reading this would remind you of those musical mornings in the green lawn.

Let's build a bridge to tomorrow
Across all the millions of miles
Walking in hope and true glory
We the acorns of Silver Oaks
Knowing not where it will lead us
Only that freedom shall live
Trusting believing and dreaming
Thankful to share and to give

Let's build a bridge to tomorrow
Across all the millions of miles
Walking in hope and true glory
We the acorns of Silver Oaks
Let's cross the bridge to tomorrow Step
by step with neighbours and friends
Lending a hand to the weary
We the acorns of Silver Oaks
Looking to God for his blessing
Knowing that peace is our own
Working and striving and planning
Thankful to family and home
Let's cross the bridge to tomorrow Step
by step with neighbours and friends
Lending a hand to the weary
We the acorns of Silver Oaks
Resolving pains and troubles
Preaching our beliefs all over the
world Telling the world wars and fighting
Can't be a part of the nation that's free
Making each moment our moment
Living it day unto day
Let's build a bridge to tomorrow
Seeking and finding our way

Let's build a bridge to tomorrow
Across all the millions of miles
Walking in hope and true glory
We the acorns of Silver Oaks

10th A >> ANKUSH

Ms. Kudathur Bhudevi

Ankush are very positive mindset and smart. They do co-operate & co-ordinate well. Yes, Naughty, but quick learners and have resilience, show due respect for others and influenced by peers. They enjoy their journey working super hard in silence and they will make success a huge noise, I am glad to have two national players in my class.

*They don't know that
we know they know we know.*

10th B >> PARASPEARS

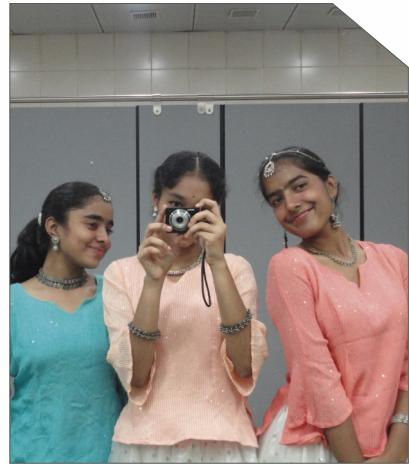

Ms. Kadimi Monica
Shirley

As a teacher of Silver Oaks' culture, I'm a clay of hope, blossoming into a solution-bearing tree. Belief in myself fuels perseverance through challenges. The future rests on my shoulders. Life's roads invite contemplation; past shadows linger, but change is constant. You should embrace dreams, build goals, and carry the torch for Oaks' culture.

10th C >> SKYLORDS

Ms. Neena Shailesh
Kadre

The class of grade X -Skylords is one of the best batches I have ever had. The class was always academically oriented besides having hidden talents in them. I enjoyed the trios of the class fussing over each other, the strategies employed to bring everyone on the same page, the antics happening with some of the water bottles, the efforts of everyone to pull their friend in academics. All this shows the great camaraderie you all share. I hope you will continue to nurture your friendship after high school too. Since you're about to embark on an exciting new chapter in your life, we know that the lessons you learn here and all the hard work you've put in will pay off. May your dreams for the future continue to shine like the stars in the heavens, inspiring you to move ever forward.

SILVER OAKS INTERNATIONAL SCHOOL

Ms. Katyayini Adipudi

My class Swifts 2023, a vibrant class of 10th graders, embodies a kaleidoscope of personalities and talents that harmoniously blend to create a unique and supportive learning environment. As they embark on their academic journey, the class radiates optimism and mutual respect, nurturing a sense of unity. With a shared appreciation for their individuality, Swifts wish each other well, foreseeing a future where their diverse talents continue to flourish and positively impact the world. My best wishes to my Swifts!

10th F >> THUNDERBIRDS

Ms. Kalidindi Gayatri Devi

This academic year was a memorable year. The journey with all of you has been a different experience. Each one of you is unique and a leader in your own way. Carry the legacy of Silver Oaks and continue to give priority to the character before competence. Use your knowledge and wisdom to compete yourself. Wishing you all the very best for your future endeavors.

SILVER OAKS INTERNATIONAL SCHOOL

Ms. Vidya Prabhu
Bailur

Dear Winged Arrows, In the pages of our school book, let's immortalize a chapter filled with exceptional talents and vibrant spirits. From football enthusiasts ablaze with passion to strategic chess masters, mathematical wizards, and the brilliant minds conquering science and NIE quizzes - your diversity of talents has been awe-inspiring. In the midst of academics, a mischievous and vibrant soul added as park to every moment, while choreographers crafted magic for our opera. Our free time became a canvas of creativity. May this page forever remind us of a class that excelled not just academically, but in every facet of life.

>> Independence day

On Independence Day the school vibrantly celebrated the country's 76th year of independence with the classic NCC march and flag hoisting, followed by various events such as a Nukkad Natak, the chanting of slokas and dance and choir performances. A dancer from the independence ensemble said, "I really enjoyed independence day this year- being able to express the emotions associated with the idea of independence in such a beautiful manner was an absolute honor."

>> Ramleela

On October 13, students came into school for the last time before their long Dussehra break to celebrate Ramleela. Students of 10th grade coordinated with each other to match their outfits on their last Ramleela and danced their hearts out with their friends.

>> Trek

What better way to ride out the high of exam-free holidays than a 3-day trek through the enchanting forests of Bhopal? Organized by Trekkenture in collaboration with Junoon Adventures, this was the perfect opportunity for teachers and students to unwind and take a break from the pressures of their regular lives. Replete with its own educational and adventurous elements, this trip was, as described by a trekker, “the whole deal”.

>> Diwali

In the Mighty Oaks Campus , Diwali every year is celebrated a little differently. The day before the celebrations students bring an assortment of flowers and make elaborate flower rangolis and arrangements. The next day they come all decked out to celebrate the festival of lights.

>> SOMUN

Marking the 5th edition of SOMUN, the organizing committee went all out this year. With the participation of over 300 delegates, this year's SOMUN was a huge success. Along with comprehensive committee sessions, SOMUN also served as a platform for students to socialize and interact with students who have similar interests.

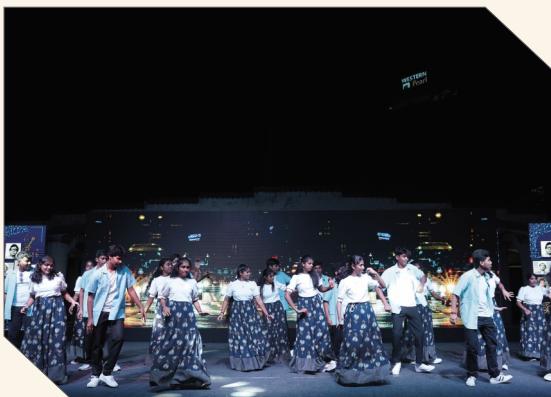

>> Sports Fest

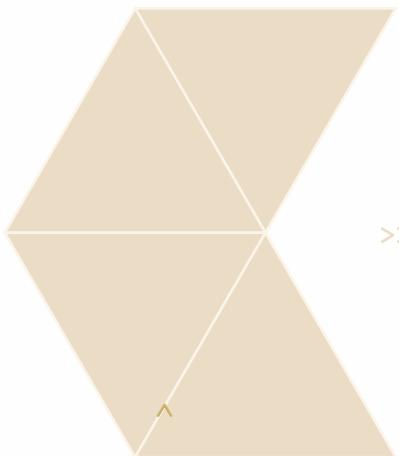

The sports fest is an annual event that pits the 4 school houses against each other in the realm of athletics. It gives students a chance to show their mettle- and show it, they did. This year, the house of Tuskers emerged the winner, followed by Tigers, Hawks, and Whales.

>> Opera

This year's showtimes were a slight deviation from the usual goings-on at Silver Oaks (albeit a welcome one). The younger grades united their voices to deliver wonderful choir performances under the name of "Oak Street Choir". The 10th graders embodied the evolution of Indian cinematic music via "Melomania", an ode to all the music-lovers in the country. Senior secondary staged a captivating English play of the moniker "Time to Awaken: Whispers of the Gallery".

>> ICRISAT FIELD TRIP

We got an insight into the research process of scientists who are developing various crops which satisfy various needs of farmers and solve different problems. We were informed about the problems and conditions that are required for optimal yield and the real life conditions faced by farmers. We had a lot of fun on the field trip as we explored the vast ICRISAT campus.

Dear Students,
As the academic year ends, we bid farewell to a remarkable group of young minds. Your dedication, enthusiasm, and thirst for knowledge in the social sciences have been impressive. Your contributions to discussions and commitment to understanding society, economics, and history have been noticed. This is only the beginning. Approach future challenges with the same passion and curiosity. You will forever be part of the Silveroaks legacy. Your achievements have left a lasting impact, and we believe you will continue to inspire. Our doors are always open for advice, sharing accomplishments, or reconnecting. Wishing you success and happiness on your journey.
